

Student Musical Performance Tours

*For orchestras, bands, choirs and dance groups, a life-changing experience on the beautiful island of **Puerto Rico, the Land of Enchantment!***

A PREP Music Performance Tour is a combination of music performances, hands-on cultural immersion, and recreational activities that create the ideal mix of musical and educational excellence not found in any textbook, classroom, lecture or rehearsal hall.

Locally owned and safety minded, PREP TOURS fulfills the musical and cultural goals demanded by today's music directors, educators and parents by giving students the opportunity to perform in a foreign country and exposing them to a culture other than their own.

PREP TOURS are educational, memorable, fun, and at times, life changing for astute travelers.

PREP TOURS offers students the opportunity to showcase their talents at local venues and musical exchanges, attend workshops, and interact with new friends in student cultural exchange activities while immersing in the breathtaking beauty, history and culture of Puerto Rico.
